Dear Ms. Croswell,

Thank you for sending a copy of the CTUIR 1995 annual report and the Comprehensive plan. I found these to be very informative.

I am enclosing for Tribe's review and comment, information on an RV park that the City is hoping to develop. The Natural Resource Management Plan might be of particular interest. This plan was prepared by the Elgin High School biology class.

A map showing the park location, a preliminary conceptual drawing of the park and a copy of a narrative on the project's history are also included.

Your review and comments would be greatly appreciated.

Sincerely,

Joe Garlitz
